Education

- Kutztown University of Pennsylvania, Kutztown, PA
    - BFA Applied Digital Art - 2020
        - Coursework in 3D animation and modeling, character storytelling and design, and sculpture.
- Northampton Community College, Bethlehem, PA
    - Associates Degree, Communication Design - 2018
        - Introduced to digital art and 3D animation as well as graphic design.

Courses that I have taken and excelled at include skill sets in 3D animation, modeling and rendering, character design and development, as well as a team building course where the primary goal was to learn how to work in a team of developers.
